

The Ivy League Connection

PRE-ESSAY

One of the first steps in the screening process is for applicants to submit a pre-essay validating why they would be the perfect applicant to The Ivy League Connection.

What the ILC is looking for are your thoughts on how this program will impact you and how your participation in the ILC will impact your school and community. We already know how smart you are so use this essay to tell us about you and the effect the ILC may have on your future and your community.

Only one pre-essay per applicant is required no matter how many programs an applicant applies to.

In the upper right hand corner of the essay we need:

your name
your school
your email address
the best phone number where you can be reached

The essay must be emailed to dongosney@comcast.net.

The file name should read (using your name to replace the XXX's):

XXX Pre-Essay.doc

Immediately above your essay, cut and paste the following:

In 250 words or less, please explain why you want to participate in The Ivy League Connection, what you understand will be expected of you, what you expect to bring back from the experience and what we can expect you to give back to your community afterwards.
